

Atascadero Unified School District Website Resources for Parents

There are many resources available on the Atascadero Unified website and the websites of the AUSD schools that can help you support your child.

Type in www.atasusd.org or search for **Atascadero Unified**.

On the front page of the AUSD website you will find current news, a calendar of District events, Quick Links to frequently accessed information, and the District mission and graduate profile.

The image shows a screenshot of the Atascadero Unified School District website homepage. The header features the district name, a search bar, and the superintendent's name. A navigation menu is located below the header. Three callout boxes with arrows point to specific menu items: 'SCHOOLS', 'FOR PARENTS', and 'FOR STUDENTS'. Each box provides a list of resources available through that link.

Links to school websites and contact information.

District departments, such as
Educational Services
Transportation
Human Resources

FOR PARENTS has parent resources, such as
Aeries Parent Portal - Check grades and attendance
School calendar
Homework help & curriculum resources
Lunch menus and bus routes

FOR STUDENTS links to the AUSD Student Resources website with online tools and resources, such as
Google Apps
Typing Agent
Many more creative tools
Most resources require students to login with usernames and passwords supplied by the school.

At the bottom of the page, you will find the District address and phone number.

All school websites should also have menu links to AUSD, FOR PARENTS, and FOR STUDENTS.

Educational Services - Choose from the **DISTRICT SERVICES** menu.
