

Student Aeries Accounts

From the AUSD webpage, www.atasusd.org, click on **For Students** tab.
Click on the **7th-12th** grade tab, scroll down the page to the bottom section and click on **Aeries**.

Log Into an Existing Aeries Account

If you already have an Aeries account, enter your Google email address and click Next. Click on the Sign in with Google button. If you are already logged into Google, it will open Aeries. If you are not already logged into Google, it will take you to a Google login screen.

Creating a New Account

Click on **CREATE NEW ACCOUNT**.

Click on the dot next to Student, then select NEXT

Type in your student email address, which is fmlastnameyr@student.atasusd.org
where f= first initial, m=middle initial, and yr is the year the student will graduate from high school

Ex: jrhopport19@student.atasusd.org

Retype the email address in the VERIFY EMAIL ADDRESS box.

Select NEXT

Close this Aeries tab requesting an Email Verification Code. You will NOT need to paste anything on this page.

Log into your student email. You will have received an email from DoNotReply@atasusd.org. Open this email and click on "**Confirm Current Email Address**". Ignore the rest of the email.

Click on "**Return to Login Page**"

Re-enter email address, click Next, and click Sign in with Google.

Fill in the requested information: **ID number** (same as above without initials),

Phone number (including area code, as on file in Aeries),

Verification code (obtained from office or teacher)

Select **NEXT**

Your account is now linked to the student information in Aeries. Click on **HOME** on the upper left and you will be in your Aeries account, where you can check your attendance and grades, and see missing assignments.
