

Atascadero Wellness Center 2018 Summer Program

Dear Student and Parent,

This summer, AHS Wellness Center is offering summer activities for local Middle and High School students! Join us for fun, interesting, supportive discoveries. We have a variety of experiences available each week, from “Expression through Art” to “High School Drama...Not Theater!” Wellness Center Coordinator Kamela Proulx, MFT Associate Nicholas Cline, and two Cal Poly MFT trainees Tim Connelly and Lisa Moore will facilitate the program.

Sessions will be at Atascadero High School. Transportation will not be available. Walking, biking, carpools, and use of the community transit system are encouraged. The program will follow the Extended School Year schedule with sessions held Monday – Thursday, 8:00 – noon. Session weeks are as follows: **June 25-28; July 9-12; July 16-19; July 23-July 26.**
Parent Nights: each Wednesday of the summer program from 6:00-7:30. Pre-registration required!

Below you will find a short sign-up/permission slip, allowing your child to participate in the program. Please fill out the appropriate spaces and return the slip to the office at your school or your school counselor. If you have any questions regarding the program, please do not hesitate to contact us.

Thank you,

Kamela Proulx, MA, LMFT, BCBA, PPS
